

CATERING BY CARLOTTA

Your local caterer for ALL events....!!

We cater throughout this area and central Scotland and offer a quality service, using only home made products, made from as much locally sourced produce as possible.

You have chosen your idyllic holiday accommodation.

Now choose the well established caterer, Carlotta Fraser, who can solve all your dining requirements during your stay in Perthshire.

We can provide daily catering, should you wish, or perhaps provide for that special celebration or family get together, as well as weddings or any other large event up to around 200 people.

We provide a full range of services and menus from Canapes for drinks parties, Finger food, Hot and Cold Buffets, as well as Dinner Parties and formal Served Meals.

Choose from our extensive lists of ideas to create a menu to suit your style and budget.

Obviously, every event is different, and we aim to tailor everything to suit your individual needs, but as a rough guide, a three course served meal will cost from £20 per person upwards.

Please contact us for further buffet menus and other ideas.
